GLOBAL PRECISION PARTS

Accuracy is the Measure of Our Success • Global Capability • Local Quality

What's New at Global Precision Parts?

Individual Highlights:

- *PFEP Progress
- *New Hires
- *Open Capacity
- *Inventory
- *Request A Visit
- *Request A Quote

Mission Statement

To exceed the expectations of our commitment... producing the highest quality products, on time deliveries, and superior customer service.

PFEP Progress

Focusing on customer service with OTD being the driver, GPP is on the fast track to improving machine scheduling through PFEP (plan for every part). As of now, GPP's machines that are fully implemented on PFEP are running 98%+ on-time while the rest are running around the 93% mark. This will remain a focus until fully implemented and proven for OTD and finished good improvements.

If you would like to know more about PFEP and how it may affect your parts, please contact the following team members at GPP:

- ❖ Mike Abbott (Wabash)
- ❖ Ron Speakman (East Liberty)
- ❖ Tom Snyder (Ottoville)

*** New Hires at GPP ***

- ❖ Kristi Shaw – Plant Manager (East Liberty)
- ❖ Allan Kerns – Plant Manager (Ottoville)
