GLOBAL PRECISION PARTS

Accuracy is the Measure of Our Success • Global Capability • Local Quality

What's New at Global Precision Parts?

Individual Highlights:

- * New Equipment
- * Slow Moving Inventory
- * ISO/TS 16949
- * Contact Information
- * Open Capacity
- * ACME Machine

Mission Statement

To exceed the expectations of our commitment... producing the highest quality products, on time deliveries, and superior customer service.

"New Equipment at GPP"As GPP continues to strive to be the most competitive supplier to our current and potential customers; we have added the following machines:

3 New LICO CNC Machines equipped with 12' magazine bar loaders (East Liberty)

3 New ZPS Screw Machines (Wabash)

If you have any current opportunities that would be the perfect fit for this machine....Contact Jennifer Ardner with a RFQ.

"New Equipment coming to GPP by end of 2017"

GPP is currently researching new equipment and plans on adding 3-4 New Swiss Machines.

Star Swiss Machines

If you have any current opportunities that would be the perfect fit for this machine....Contact Jennifer Ardner with a RFQ.
